

What is Mission FUTURE READY?

It's more than bricks and mortar...
It's about investing in a healthier future for
Western North Carolina

Mission Future Ready at Work

From the new Emergency Departments in Highlands and Transylvania to the brand-new hospital in Marion to the \$400 million Mission Hospital for Advanced Medicine in Asheville, we're **making a lot of great improvements and enhancements and community investments.**

Mission Health Member Hospitals

- 1 Mission Hospital
- 2 Angel Medical Center
- 3 Blue Ridge Regional Hospital
- 4 McDowell Hospital
- 5 Transylvania Regional Hospital
- 6 Highlands-Cashiers Hospital

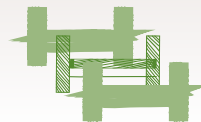

“Mission Future Ready is about transforming healthcare, continuing to improve our high-quality medical treatment and anticipating the future needs of those we care for before, during and after they visit any one of our facilities.”

— Ronald A. Paulus, MD
President and CEO

Did you know?

... **Mission Hospital** currently serves as western North Carolina's **only Level II trauma center** and includes the region's **only dedicated children's hospital**.

... We're constantly investing in our facilities throughout the region with **facility enhancements** and new **state-of-the-art technologies**.

Investments in Our Region

Blue Ridge Regional Hospital Building	\$7.5 million
Highlands-Cashiers Hospital ER Expansion	\$6.7 million
McDowell Hospital Replacement Project	\$45 million
Information Technology	\$7 million
Community Benefit Grants at Work	\$1.1 million

... Mission Health was recognized as **one of the nation's Top 15 Health Systems** from 2012–2015 by Truven Health Analytics, formerly Thomson Reuters, becoming the only health system in North Carolina to achieve this recognition.

... Thanks to investments in new technologies and programs to constantly stamp out medical errors, you are **more than 50% less likely to die from medical errors** at a Mission Health facility than other hospitals around the country.
